5.,	served as transient billets for officers of all branches of service. Numerous officers with various branch-of-service insimia were seen going
	on several days. The trucks observed during the aforementioned period of time were always the same. A repair shop unit of 50 soldiers with red-bordered black epaulots were engaged in overhauling vehicle motors at the motor vehicle repair shop in the billeting area.
6.	On 29 December, the Horn Kaserne on Nubmer Chaussee quartered about 600 troops who were red-bordered black epaulets, almost exclusively with tank 50X1-HUM insignia. Four tanks
7.	01 29 December, the Ziethen Kaserne on Kopernikus Strasse quartered from 600 to 700 troops who were red-bordered black epaulets, largely with artillary or tank insignia. The day before, 60 soldiers were seen drilling with rifles and 15 soldiers, with submachine guns. Two canves-covered tanks and 10 recruits drilling without arms were observed on 20 December.
8.	50X1-HUM On 29 December, the komendatura on Puschkinstrasse was occupied by about 80 troops, about half were black-bordered red epaulets and the others were red- bordered black epaulets. The soldiers were seen engaged in physical training.  were seen at the building. On 50X1-HUM to occasion of Stalin's birthday, 21 December, no routine duties reviews, or other ceremonies were noticed in the barracks installations at the Frankfurt/Oder military post. Almost all of the troops remained in their billets. Only a little traffic was noticed at the barracks gate.
9.	
10.	On 16 December, the Horn Kaserne was occupied to capacity. JS-2 tanks with 1 lieutenant and 6 EH on each tank and one JSU-152 50 gun were seen leaving the billoting area on 15 December. JS-2 tanks left the installation toward Markendorfer Platz on 16 December.
11.	On 21 December, the Buelow Kaserne was occupied to capacity by troops. Sixteen 76.2-mm guns were seen in an open shed on 10 December. A unit of 1 major and 32 men wearing red-bordered black epaulets and having two 82-mm moretars with them left the installation toward Markendorfer Platz on 15 December. About 450 troops, forming three units of about 150 men each,

	were 2 JS-3 tanks and 4 JS-2 tanks. About 40 troops received theoretical instruction on four 122-mm artillery pieces, while 30 soldiers	50X1-HUM
	with black-bordered red epaulets drilled with two 120-nm mortars. Two 81-mm AA guns were parked near the athletic field. Sedan	50X1-HUM
	occupied by Colonel Kuzin (spelling) (fnu) and driven by a soldier with red-bordered black enablets: and vehicles	50X1-HUN
	were at the Ziethen Kaserne.	50X1-HUM
18.	On 10 December, the Horn Kaserne was occupied to capacity by about 1,500 troops who were red-bordered black epaulets, including some with tank insignia. Nine tanks, including two JS-3s, and b0 soldiers wearing red-bordered black epaulets and engaged in athletic activities were noticed in the barracks yard. Two of the nine tanks seemed to be T-3h/85s.	50X1-HUN
19.	On 10 December, the Eichhorn Kaserne was about 60 percent occupied. About 60 soldiers with black-bordered red enaulets and black-bordered black epaulets boarded trucks in the barracks area and departed toward Euclipose.	50X1-HUN
20.	On 11 December, the Hofbauer Kaserne was occupied almost to capacity by troops except for one building which was 30 percent occupied by about 100 uniformed women. About 200 officers of various ranks and branches of service, but wearing mostly tank and artillery insignia, were seen walking from the installation to the Dichhorn Kaserne on Huellroser Landstrasse at about 4 p.n. Two 120-mm mortars were in the barracks yard.	50X1-HUN
21.	On 1/4 December, the Hindenburg Kaserne was occupied to capacity by about 1,200 troops who were red-bordered black epaulets, mostly with tank insigning the T-3/4 tanks, including one without main armament, were in the barrack yard, and about 40 soldiers received physical training.	La. CS
22.	A German in the Frankfurt/Oder area said that up to 60 tanks of various types had practiced at the Markendorf training ground every day. **	OX1-HUM
23.	Eliwearing red-bordered black epaulets with tank insignia and carrying baggage arrived at the Frankfurt/Oder main railroad station by rail. Nost of them were between 22 and 30 years old and were rather old uniforms. The troops were picked up by trucks	
214.	On 25 December, about 50 officers with ranks up to and including captain and 600 NCOs and EM wearing new uniforms with black-bordered red epaulets and carrying submachine guns arrived at the Frankfurt/Oder railroad station aboard a freight train from the direction of Muestrin. The troops averaged 2h to 26 years of age and carried only a little baggage. After detraining, the troops left on trucks and buses	
25.	A passenger train of 20 cars, which left the Frankfurt/Oder main railroad station toward Guben (H 52/A 79) at 11 p.m. on 27 December, was occupied by about 530 troops who were red-bordered black epaulots, including some with artillery, and had an average age of 25 years. There were only a few officers and NCOs on the train.	50X1-HUM
26.	A freight train, which left the Frankfort/Oder main railroad station toward Berlin at 6 p.m. on 3 June 1952, carried about 800 troops most of whom were black-bordered black epaulets, and a few, no epaulets at all. There we
